Dear Parishes,

Please share this with you communities across your available channels.

We are aware of a recent spike in burglaries across the local area and would like to reassure you that the police are fully aware of these incidents. We are actively investigating all reported offences and, where possible, are taking all necessary steps to identify those responsible.

Our priority remains the safety and well-being of our community. We are continuing to support victims of burglary by visiting them where appropriate and offering crime prevention advice to help reduce the risk of further incidents.

In the meantime, we would like to share some useful resources with you.

Neighbourhood Watch

Neighbourhood Watch offers valuable support to local residents, including instant crime prevention advice, after-crime support, local crime maps, alerts, and much more. Anyone can sign up to stay informed and help keep their community safe.
